

**PRECONGRESS COURSE 8:30-12:00**

**Practical course in ultrasonography of the neck for ENT surgeons and general and maxillofacial radiologists**

*Limited to 30 persons (2 groups)*

- 08:30-09:00 Jonas Castelijns, Amsterdam: **US (FNAC) of the neck in patients with H&N cancer; overview**  
09:00-09:30 Jackie Brown, London: **US of salivary glands**  
9:30-10:30 **US (FNAC) of the neck in patients with H&N cancer: Panel discussion**  
Knut Brabrand, Oslo: **The radiologist view: cutting edge**  
Lisa Waalaas, Oslo: **FNA-Cytology, techniques and new perspectives**  
Terje Osnes, Oslo: **Everyday clinical use of US in oncological H & N surgery**  
10:30-12:00 **Case demonstrations - Hands-on-exercises in groups - Case discussion with final summary**

**13:30 OPENING CEREMONY BRISTOL HOTEL**

**New Horizons in H&N imaging**

- 14:00-14:30 Jan Casselman, Brugge: **New applications on CT**  
14:30-15:00 Tore A. Larheim, Oslo: **Temporomandibular joint imaging: An update**  
15:00-15:30 Minerva Becker, Zurich: **Imaging osteomyelitis**  
**15:30-16:00 Coffee break and Exhibition with Quiz**  
16:00-16:30 Bert de Foer, Antwerpen / Jan Casselmann, Brugge: **State of the art: MRI of cholesteatoma**  
16:30-17:00 Herwig Imhof, Vienna: **Parapharyngeal and retropharyngeal masses**

**Solve the case of the month**

- 17:00-17:30 Andreas Abildgaard, Oslo: **Solve the case of the month-Case 1-6**

**18:00 Buses to Get-together**

**22:00 Buses home from Get-together**

**FRIDAY 7 SEPTEMBER PARALLEL SESSION I**

**Updates in H & N Imaging**

- 08:00-08:30 Jan Casselman, Brugge: **MR imaging: tips and tricks**  
08:30-09:00 Suresh Mukherji, Michigan: **3T MR Imaging**  
09:00-09:20 Mogens Aaløkken, Oslo: **Ten ways to ruin a CT examination of the neck**  
09:20-10:00 **Abstracts (8 + 2 minutes)**  
**10.00-10:30 Coffee break and Exhibition with Quiz**

**Diagnostical aspects of meningeal diseases**

- 10:30-10:50 Vincent Chong, Singapore: **The meninges in H&N imaging**  
10:50-11:10 Alexandra Reis Borges, Lisbon: **Meningeal invasion by head and neck tumours: Predictive value of meningeal enhancement**  
11:10-11:30 Nicole Freling, Amsterdam: **Optical schwannoma and meningioma, sphenoid meningioma**  
11:30-12:00 **Abstracts (8 + 2 minutes)**

**12:00-13.00 Lunch and Exhibition**

### **Lymph node disease in the neck**

---

13:00-13:20 Martin Mack, Frankfurt: **Lymph node disease in the neck**

13:20-13:40 Bert-Jan de Bondt, Maastricht: **MR techniques in detection of cervical lymph node pathology**

13:40-14:00 Alexandra Reis Borges, Lisbon: **Infectious, inflammatory and other non-metastatic disease of cervical lymph nodes**

14:00-14:30 Martin Mack, Frankfurt: **Film reading session**

**14:30-15:00 Coffee break and Exhibition with Quiz**

### **Laryngeal cancer**

---

15:00-15:30 Roberto Maroldi, Brescia: **Pre-operative assessment of local extent in laryngeal cancer. Which is the present role of Imaging?**

### **Head and Neck cancer**

---

15:30-16:00 Robert Hermans, Leuven: **How imaging predicts outcome**

16:00-16:30 Vincent Chong, Singapore: **Post radiation therapy complications**

### **Solve the case of the month**

---

16:30-17:00 Andreas Abildgaard, Oslo: **Solve the case of the month-Case 7-12**

**17:00 General Assembly ESHNR**

**19:00 Buses to Gala Dinner**

## **FRIDAY 7 SEPTEMBER PARALLEL SESSION II**

---

### **Mandible and Maxilla**

---

08:00-08:30 Tore A. Larheim, Oslo: **Tumours and tumour-mimics**

08:30-08:50 Geir Støre, Oslo: **Management of osteonecrosis / osteomyelitis**

08:50-09:10 Olav Jetlund, Oslo: **Surgical management of tumours**

09:10-09:40 Leon van Rensburg, Cape Town: **Ameloblastomas: Correlative imaging applications**

09:40-10:00 **Abstracts (8 + 2 minutes)**

**10.00-10:30 Coffee break and Exhibition with Quiz**

### **PET-CT**

---

10:30-10:50 Val Lowe, Rochester (Mayo clinic): **General overview and state of the art**

10:50-11:10 Trond Bogsrud, Oslo: **The thyroid**

11:10-11:30 Val Lowe, Rochester: **The unknown primary and other important indications**

**12:00-13.00 Lunch and Exhibition**

### **Clinical - surgical conference**

---

13:00-13:30 Trine Bjøro / Arne Heilo / Terje Osnes, Oslo: **The Thyroid board, triple diagnostics and modern multidisciplinary management of thyroid cancer**

### **Image guided surgery**

---

13:30-14:00 Torstein Meling, Oslo: **Skull-base: 3D computer-assisted navigation**

14:00-15:00 **Abstracts (8 + 2 minutes)**

**14:30-15:00** *Coffee break and Exhibition with Quiz*

**15:00-16:30** **Abstracts** (8 + 2 minutes)

**17:00** *General Assembly ESHNR*

**19:00** *Buses to Gala Dinner*

**SATURDAY 8 SEPTEMBER** *PARALLEL SESSION I*

**Oral and pharyngeal regions**

8:30-8:50 Steinar Aasen, Oslo: **Cine-radiography of the swallowing process a) normal pattern**

8:50-9:10 **b) some abnormal hypopharyngeal and oesophageal patterns**

9:10-9:40 Suresh Mukherji, Michigan: **Carcinoma of the oropharynx and oral cavity: What the Radiologists need to know**

**9.40-10:10** *Coffee break and Exhibition with Quiz*

**Tumours of the nose and paranasal sinuses**

10:10-10:30 Martin Mack, Frankfurt: **Tumours of the nose and paranasal sinuses**

10:30-10:50 Roberto Maroldi, Brescia: **Are there patterns in sinonasal recurrent tumours beyond the endoscopic field of view**

**Salivary glands**

10:50-11:10 Minerva Becker, Geneva: **Coexistent chronic recurrent sialadenitis and salivary gland tumours: a diagnostic challenge**

**Inner ear imaging**

11:20-11:40 Francis Veillon, Strasbourg: **Fistulas of inner ear: Imaging of traumatic fistulas of the inner ear without fracture**

11:40-12:00 Einar Hopp, Oslo: **Imaging osteomastoiditis**

**12:00-13:00** *Lunch and Exhibition*

**SATURDAY 8 SEPTEMBER** *PARALLEL SESSION II*

**Clinical - surgical conferences**

8:30-9:15 Terje Osnes / Andreas Abildgaard, Oslo: **The Head and Neck clinical conference: Multidisciplinary clinical management of H&N cancers**

9:15-10:00 Johan Tausjø / Knut Håkon Hole, Oslo: **Intensity Modulated Radiation Therapy (IMRT). Principles, clinical indications and imaging requirement**

**10.00-10:30** *Coffee break and Exhibition with Quiz*

**Clinical - surgical conferences**

10:30-11:00 Tore Bjørnland/Tore A Larheim, Oslo: **Diagnostic imaging and surgical management of TMJ disorders / diseases**

11:00-11:30 Per Skjelbred, Oslo: **Surgical management of craniofacial syndromes and value of imaging**

**New horizon in jaw imaging**

11:30-12:00 Hans-Gøran Grøndahl, Göteborg : **Cone beam CT**

**12:00-13.00** *Lunch and Exhibition*

## ***ESHNR REFRESHER COURSE***

- 13:00-13:30 Sabrina Kösling, Halle: **Anterior and middle skull base anatomy**
- 13:30-14:00 Jan Casselman, Brugge: **Cranial nerves: anatomy, imaging techniques and pathologic conditions**
- 14:00-14:30 Christian Czerny, Vienna: **Temporal bone: anatomy, imaging techniques, and pathologic conditions**
- 14:30-15:00 Coffee break***
- 15:00-15:30 Herwig Imhof, Vienna: **The masticator space: anatomy, imaging techniques, and pathologic conditions**
- 15:30-16:00 Stephen Golding, Oxford: **Oral cavity: anatomy, imaging techniques, and non-malignant conditions**
